WELCOME to the Echo Hills Kennel Club of Ohio, Inc. dog obedience training session!

Our club's purpose is to further the advancement of all breeds of dogs. Whether your participation in our classes is to work towards titles or simply to gain confidence and improve handling response between you and your dog, we hope you enjoy Echo Hill's course.

GOALS We are a non-profit, service organization and are dedicated to the education of the dog owner and non-dog owner alike. Our Club members are directly involved in actively striving toward humane treatment for all animals, including the necessary education and action for helping to curb the pet population explosion.

ACTIVITIES Our best-known activity is the offering of obedience training classes. We have qualified and dedicated instructors for Puppy Dog, Beginning Obedience, Advanced Skills and Conformation classes. Our members also work in many other areas of training their dogs, including fieldwork, retrieving on land and in water, Open Class Obedience, tracking and others.

We also are active in presenting exhibitions with our dogs for community organizations and public functions. These are informative and aimed at stressing the responsibilities of dog ownership. A very high percentage of our members actively participate in American Kennel Club Shows and Obedience Trials.

FUTURE The Echo Hills Kennel Club of Ohio, Inc. has a bright future! We are planning even more activities and functions to interest our members and the general public. Our classes are limited in enrollment and their success has been outstanding. We are constantly making an effort to improve in every area. Our club has a progressive attitude, which seems to grow as if it were contagious! We wish you much success and hope that you will have as much fun training your dog as we have in teaching you!
